

## CAPABILITY STATEMENT

### Core Competencies:

#### Databases

Custom data sets can be delivered within minutes.

Data Installs via flat file / API calls to access data from your application

- 15 Million Businesses
- 25 Million Business Executives
- 25 Million Business Executive Emails
- 20,000 Weekly New Businesses
- 220 Million Consumers with demographic selects
- 22 Million Professional License individuals

#### Database Subscription Products

• **AtoZdatabases.com**<sup>®</sup> is the premier business and people reference/research database with flexibility to select from hundreds of geographic and demographic selections for business and residential data sets. Allows bulk download of records.

• **LocatePlus.com**<sup>®</sup> is the nation's leading provider of accurate, in depth investigative and skip tracing data. The LocatePLUS database consists of billions of current historical, cross-referenced public and private records. The latest technology and comprehensive reports save time and money.

#### Additional Services Include:

- **Data Enhancement Services** – append phone numbers, NAICS/SIC codes, email addresses, etc.
- **Merge/Purge** – highly accurate matching to remove duplicates within or across files of businesses or residents.
- **JangoMail.com**<sup>®</sup> – is a mass email deployment platform that is highly customizable, dynamic delivery, pay only for volume – not users, advance scheduling, tracking and reporting, master/sub accounts, and API access.
- **Investigative Database with real time data** – search civil records, criminal records, relatives, neighbors, roommates, business, property and more to connect the dots for people of interest.
- **ExpressCopy.com**<sup>®</sup> is a platform to design print and mail postcards same day.
